

# Wardie Parish Church

## Wardie Cares

We care about **All People** and we give ongoing support to

- ✓ [Fresh Start and Pantry](#)
- ✓ [Gifts for prisoners' children](#), see news article Christmas 2024
- ✓ [Tearfund Toilet Twinning](#)
- ✓ [Christian Aid](#)
- ✓ [Blythwood](#) (shoeboxes)
- ✓ [Scottish Bible Society](#) (used stamps)

On a three-year cycle we promote and support the work of two other charities of our choosing:

- ✓ a local charity supporting the homeless (currently [Bethany Christian Trust](#))
- ✓ a charity working overseas but with local connections (currently [Edinburgh Direct Aid International](#))

We care about the **Earth**, and everything in it; we celebrate God's beautiful and precious creation.

We care about the **Climate Change** crisis and try to save energy use.

We care about **Recycling** – we put waste in the correct bin and we choose re-useable rather than single use items.

**C - climate change**

**A - all people**

**R - recycling**

**E - Earth and everything in it**

Join us in caring and taking care.

We are a [Fairtrade](#) Church and encourage consumption of fair trade certified produce.

We are a registered congregation with [Eco-Congregation Scotland](#) to care for the environment, in worship, in practical action and in advocacy.
